New message posted on the 3 Message Boards in Runyon Canyon today ---

!PLEASE NOTE!

The Runyon Visionary Board is a conceptual plan based on ideas from the Runyon Community.

We believe that yoga in Runyon is one of the things that make this place special and we will make sure that it always has a place here!

Thank you for helping us to make sure Runyon is protected for generations to come.

The mission of the Foundation is to restore, manage, enhance and protect the 137-acre Runyon Canyon Park Recreation Area in partnership with the public and the City for the enjoyment of present and future generations. The Foundation aspires to build a great organization that sets the standard and spreads the principles for outstanding park management - emphasizing environmental excellence - to improve the quality of open space for the enjoyment of Runyon Canyon visitors and the quality of life in neighboring residential areas.
